

# Welcome Back!! 2020-21 Competition Season

Dear Super Star Parents:

We have officially kicked off the 2020-21 Season and I have to tell you the Dances are coming along! We are of course hoping that Covid-19 will not get in the way of us being able to compete this year!!!! At this point all of the competitions plan to have their scheduled events with some new guidelines in place. Some of the things they have mentioned are: Everyone has their own dressing room, must wear mask when not dancing, limited people allowed in auditorium and round the clock sanitizing.

**Attendance:** Attendance is very important for dancers. Dancers will not grow in their technique, if their attendance is not consistent. Dance is just like exercise, its all about the muscle memory. We have also designated 1-2 hours during their class time for rehearsals. That way we will ensure that dances are being worked on and cleaned while new dances are being taught. This is another reason why you should not miss class. Too many missed classes may result in dance placement being changed.

**Tuition:** Tuition must stay current! Best can not allow students to attend class if tuition isn't paid. Tuition is late after the 5th. Therefore if you have outstanding Tuition, it must be paid before the student comes to class. This year **ALL** due dates must be kept, in order for the student to attend classes or choreography/rehearsal sessions.

**Attire: Ballet class:** Black Leotard, pink tights, pink ballet shoes

**Jazz Tech or Rehearsal:** Black leggings or shorts can be worn with black leotard or black sports bra  
Please come dressed. We are still not using dressing rooms due to Covid-19 Thanks!

## **Class Day & Times Schedules:**

**Seniors & Teens** Tuesday & Thursday 6:00-9:00PM (BALLET ON TUESDAY WITH PROPER ATTIRE)

**PreTeens** Monday & Wednesday 6:00-8:45PM (BALLET ON MONDAY WITH PROPER ATTIRE)

**Junior** Wednesday 6:00-8:15 & Saturday 11:45-3:00pm (BALLET ON SATURDAY WITH PROPER ATTIRE)

**Petite** Thursday 6:00-8:15 & Saturday 11:45-3:00pm (BALLET ON SATURDAY WITH PROPER ATTIRE)

**Mini's** Tuesday 6:00-7:30pm (BALLET ON TUESDAY WITH PROPER ATTIRE)

**Hair:** Dancers should **arrive** with their hair pulled back and ready. A lot of dancers with long braids need their parents help with getting their hair up. The extremely long braids make it really hard for dancers to learn how to turn. Honestly, the younger dancers can't balance well enough to get around the correct way!! So please keep that in mind when getting hair styles.

## **Rehearsals**

We will continue to send out rehearsal schedules for the month. We have also decided to use 1-2 hours a week for rehearsals and/or choreography. Therefore please make sure you attend your schedule classes. Missed classes and rehearsals may result in a change and/or removal from a dance.
